**At the Global Outreach Day**  
 millions of Christians worldwide get  
 involved and share the Gospel with  
 countless numbers of people.

## **The Great Challenge**

**93% of church members never share the Gospel with others. The Global Outreach Day is a catalyst to mobilize the whole church for evangelism.**

10 million people in Nepal received the Good News, almost all homes were visited!

Sharing the Gospel with friends

In the Dominican Republic, 2,900 Churches and 250,000 Christians shared the Gospel to 1 million people. As a result 20,000 attended a Bible course.

In Brazil 30,000 churches with estimated 3 million Christians actively shared their faith.

- Millions of Christians shared the Gospel for the first time in their lives and continue doing so since that Global Outreach Day.
- In Mexico City, 45 members of a church went out to share the Gospel, half of them did it for the first time. As a result 198 people accepted Christ into their hearts.
- In addition to personal evangelism, there was preaching on the streets, artistic performances on the streets, sickbed visits and prayer in hospitals, prisons, nursing homes, children's homes, etc.
- During the last 5 years, 135 million gospel tracts were shared and millions of people gave their lives to Jesus at Global Outreach Day.

# The whole church is going – to a lost world!

**Every missions organization and church can join in when millions of Christians are being mobilized to go out and reach the masses with the Gospel.**

## It's your harvest!

The purpose of the Global Outreach Day (G.O.D.) is that every Christian becomes a witness and reaches others with the Gospel, integrating new believers into the church.

In Wesley Chapel, FL a whole church was sharing the Gospel for hours in a prayer „drive thru“ station near a local Walmart center.

## It's easy!

Every Christian can be part of it. We all are called to share the Gospel with all creation. God just needs people willing to go. People like you.

## It's an important beginning!

About 93% of church members do not share the Gospel regularly. The Global Outreach Day could be the beginning of an evangelistic lifestyle for many believers; to share about Jesus every day and everywhere.

## Develop your ideas

You probably already have an idea how to share the Gospel on this day. Here are some practical suggestions what you could do:

- **One on One** – Invite someone over for a cup of coffee and tell him about Jesus.
- **In small groups** – Meet in your church

and split up into small teams. Then go to reach people where they are – on the streets, in the market places, parks, etc.

- **Care and share** – Do something good for the needy in hospitals, prisons, nursing homes, children's homes etc, and share the Good News with them.
- **Reach your area** – Visit home to home. Share the Gospel in public transportation, working in unity with other churches.
- **More ideas** – Concerts, open-air meetings, use flash mobs, banners, share tracts, post on Facebook about Jesus, etc.

## Important Dates:

### On a previous Sunday

Cast the vision and train your church how to share the Gospel. Pray together.

### May 20<sup>th</sup>: USA Outreach Day

Every Christian is sharing the Gospel to reach at least one person. All sorts of individual and joint outreaches.

### May 27<sup>th</sup>: Global Outreach Day

Christians all over the world sharing the Gospel. You can join at Memorial Day.

### After the Global Outreach Day-

Continue to share the Gospel individually and as a church on regular basis.

**Everyone can reach someone – together we can reach the world!**

The vision of the Global Outreach Day is to mobilize Christians in over 200 nations to bring the Gospel to everyone, everywhere – whether on the streets, to the neighbors...

This can't be achieved by a single person or by a single organization, but only through the whole global body of Christ.

**Who?** Every believer | Every church | Every ministry | And YOU

**How?** Using the most effective way – according to your gifts, your region and your opportunities – to reach people with the Gospel.

As preparation, we encourage pastors and leaders to pray and to train their church how to share the Gospel. On our website, you find helpful training material. On May 20<sup>th</sup>, you can offer different outreaches and also work together with other churches. On Sunday May 21<sup>st</sup>, you could give every church member after service one (or more) Gospel tract as a help to reach at least one person. After the G.O.D., keep on doing outreaches together every week or month.

**Be a part of this worldwide evangelistic outreach!**
